

5 TIPS FOR STAYING AT MOUNT ENGADINE LODGE

1. BRING LOTS OF WARM CLOTHES

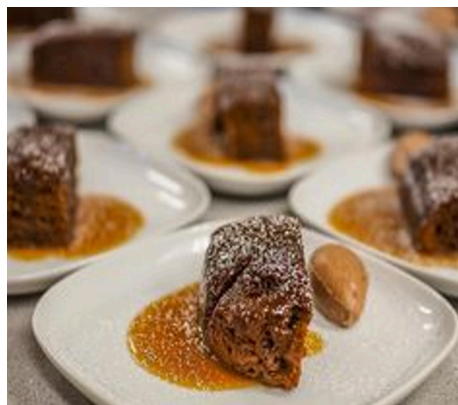

We are located at a high elevation where the weather can be unpredictable and at times significantly different from nearby Canmore. Staying warm on your adventures will keep you comfortable and smiling all day long. With snowshoes and fat tire bikes available on site for guests, you can explore the trails your way!

2. LET US KNOW YOUR DIETARY RESTRICTIONS

Make sure to let us know of any dietary restrictions or preferences when making your reservation. We are happy to cater to all dietary restrictions and preferences, we just need to be notified in advance due to our remote location.
